What Does Your Dream Library Look Like?

Here at the Parkland Community Library, we are excited to support our thriving community in feeling empowered to connect, discover, and grow.

Over the past month we have chatted with seniors and Parkland High School students about what they like about our library and what their dream library looks like. We would also love to hear your opinion.

We invite you to come to one of our spotlight events or take our website survey, so we can ensure that we are serving you the best we can. I look forward to hearing your thoughts on how we can change our library to support your needs.

Meet Our Friend: Gloria

How long have you been a friend of the library?
“Since it started in ’72. My daughter was one when we moved the library from Guttenberg to here. I am a lifetime member.”

What is your favorite memory as a Friend?
“Watching how the book sale has changed and grown from having it on the back room table to thousands of books.”

What do you wish people knew about the library?
“Libraries are not just books. You can find videos and birthday party ideas for children. There’s something for everyone.”

What do you like to sign out from the library?
“Mystery books like James Patterson, Clive Cussler, Patricia Cornwell, Jack Higgins and Ken Follet.”

Meet Our Volunteer: Vikram

How long have you volunteered at the library?
“I have volunteered at the library since the beginning of the Summer of 2014. One of the main reasons I became a volunteer is because of my love of books. I also know that it will provide me with volunteering hours for school.”

What is your favorite memory as a volunteer?
“My favorite memory/task I like to do at the library is shelf reading as I am able to browse many books that I might become interested in while also keeping the library books orderly.”

What do you wish people knew about the library?
“The library is a magnifcent place to do research as I have seen it is amazing quiet and a great place to be able to concentrate.”

What do you like to sign out from the library?
“My favorite books are adventure, action, and sci-fi books which I have developed a love for. They are very engaging to read, and is awesome that PLC has so many of them.”

What do you geek?
“I like to play chess, play piano and saxophone, and of course, when I get the time, to read.”
